BACKGROUND

The Napa Valley Transportation Authority (NVRTA) CAC serves as a community advisory committee to the NVRTA Board on issues relating to multimodal transportation planning and programs and the Vine Transit system. The 2026 CAC Work Plan will be used to keep the committee on track to approve and review critical planning and study documents, as well as receive informational updates throughout the calendar year. NVRTA staff envisions 2026 will include reviewing plan updates, including the Countywide Active Transportation Plan and Countywide Transportation Plan. In addition, the committee will periodically review work related to various capital projects such as SR 29 American Canyon Corridor Improvements and the Airport Intersection Improvements at SR 29/SR12/Airport Boulevard.

The CAC is encouraged to not only attend all CAC meetings, but other NVRTA meetings that may help inform CAC members about relevant discussion topics.
