

NAPA VALLEY TRANSPORTATION AUTHORITY

Active Transportation Advisory Committee Agenda Memo

TO: Active Transportation Advisory Committee (ATAC)
FROM: Danielle Schmitz, Executive Director
REPORT BY: Patrick Band, Associate Planner
(707) 259-8781 / Email: pband@nvta.ca.gov
SUBJECT: Countywide Active Transportation Plan Update

RECOMMENDATION

Information only

EXECUTIVE SUMMARY

In August 2024 NVTA initiated work on a Countywide Active Transportation Plan. This plan will serve as comprehensive update to prior Countywide Bicycle Plan (2019) and Pedestrian Plan (2016). New and innovative approaches to active transportation policy and infrastructure, as well as changes in law necessitate periodic updates to ensure that planned improvements align with local and regional goals, and to better compete for limited funding to support the build-out of the active transportation network.

The project team has developed a Vision Statement, Countywide Goals, Objectives, and policies, as well as recommendations for future bicycle and pedestrian network build-out for public review. These materials are the result of extensive public engagement and input from local jurisdictions over the past 12 months. Draft materials will be available for public input and review for approximately 6 weeks (through October 31st), after which comments will be reviewed for incorporation into a full draft plan, expected in January 2026.

BACKGROUND

Current Status

NVTA staff and the consultant team led by GHD have made significant progress toward completion of the Countywide AT Plan in the past year. Comprehensive maps of existing bicycle and pedestrian facilities have been developed, along with a detailed Treatment Toolkit providing guidance in a wide range of active transportation facilities. Over 500 comments have been received from members of the public, including 199 online surveys

and 143 comments via an interactive web map. Two open-house events have been held in the City of Napa and Calistoga and staff has attended outreach events in St. Helena and American Canyon. Jurisdiction staff have provided valuable feedback on the overall direction and format of the plan. Table 1 below provides a review of each task in the plan development process, status, and target completion date.

Table 1 – Plan Tasks & Status Summary

Task	Status	Target Completion
Project Kickoff	Complete	Fall 2024
Existing Conditions Assessment	Complete	Winter 2024
Phase 1 Public Outreach/Engagement	Complete	Spring 2025
Treatment Toolkit	Public Draft	Summer 2025
Future Demand Assessment	In Progress	Fall 2025
Proposed Facilities	Public Draft*	Fall 2025
Proposed Policies & Programs	Public Draft*	Fall 2025
Implementation & Funding Plan	In Progress	Fall 2025
Final Document for Adoption	Not Started	Winter 2026

**Planned public draft release by September 19, 2025*

Plan Organization, Vision & Goals

The Countywide Active Transportation Plan will be formatted to include individual chapters specific to each of the six jurisdictions – the County of Napa, and Cities/Town of Calistoga, St. Helena, Yountville, Napa, and American Canyon. While each jurisdiction will have a separate chapter that can be adopted by jurisdictions, NVTA is structuring the Plan to have a single Vision Statement, Goals, Objectives and policies that are consistent across all communities.

Draft Countywide Goals have been proposed that address topics including Safety, Equity & Accessibility, Connectivity, Sustainability, Maintenance, and Data/Evaluation.

Draft Facilities & Countywide Policies

Building on prior planning efforts, data on roadway speeds and volumes, advanced modeling of active mode trips, and public comments received during earlier phases of the Plan process, a proposed Active Transportation network has been developed.

Proposed countywide policies were developed based on an analysis of existing planning documents, including local jurisdiction General Plans, Local Roadway Safety Plans (LRSP), Vision Zero Plan, as well as regional and statewide plans and policies, public comments, and issues or topics identified through discussions with local jurisdictions.

Proposed facilities and policies were provided to Public Works & Planning staff at each jurisdiction for review and comment. NVTA staff conducted both in-person and virtual meetings with all jurisdictions to discuss opportunities to better align draft documents with local needs, priorities, existing development patterns, and constraints.

Next Steps

Following review and consolidation of jurisdiction comments, public drafts of key documents and maps are now available for review and comment.

To support community engagement and feedback on these draft documents, NVTA will be hosting a virtual community Open House event on October 21st. Additional focused presentations are also scheduled with local jurisdictions to allow advisory committees or City Councils to hear updates and help inform the Draft Plan.

A Draft Plan is expected in January 2026, with adoption by the NVTA Board of Directors to follow in February or March. Following NVTA Board adoption, local jurisdictions will have the opportunity to adopt the Plan to support a consistent countywide vision and strategy for the future of active transportation.
