BACKGROUND AND DISCUSSION

The Napa Valley Transportation Authority (NVTA) was created under a Joint Powers Agreement (JPA) that specifically delineates the many roles and responsibilities of the agency and its advisory bodies. In addition, each advisory committee has its own bylaws and areas of focus.

NVTA staff must delineate committee objectives, maintain agency programs and complete projects within available financial and human resources. To optimize available resources, staff have developed a draft Work Plan for each committee.

The draft 2026 PCC Work Plan (Attachment 1) includes regular agenda items, transit planning and program review. The intent of the work plan is to provide a guideline for anticipated action and advisory items that staff will bring before the PCC throughout the next calendar year.
