Promotion – I am happy to announce Rebecca Schenck has been promoted to Director of Transit. Rebecca has been with the agency since 2017, and has held numerous positions in planning, project management and transit operations. She has led several capital projects for the agency including the Vine Trail, the Bus Maintenance Facility, and the solar canopy project. She has weathered many storms, be it firestorms or the covid pandemic and has been a reliable and resourceful member of the team. Well done, Rebecca.

individuals who want to make Napa a better place to live, work and do business. He will be serving on the Finance Committee.

Regional Update

- The Metropolitan Transportation Commission (MTC) will be holding a commission workshop on October 22-23 at the Embassy Suites in Walnut Creek. More details to come on the Commission workshop agenda.
- MTC and the Association of Bay Area Governments (ABAG) have created a new Community Advisory Council which will replace the previous Policy Advisory Council. Made up of 27 residents with diverse perspectives, the Council advises MTC and ABAG on issues related to housing and land use, transportation and the environment. Each county will have representation on the Council.

Local Update

- **New Routes** - The Vine launched a new schedule on August 10th including a reenvisioned Route 11X with limited stops from Redwood Park and Ride to the Vallejo Ferry terminal. In addition, the Vine will be serving BART on weekends with the addition of Saturday service on Route 29, with nine roundtrips a day.
- **Bus Animal Naming Contest** – NVTA is inviting elementary school students to name its electric fleet mascots - the owl, hawk, butterfly and bee. The contest will launch on September 15th with a winning name selected for each animal on October 31st. Winning students will be treated to a special bus experience, receive a basket of Vine Transit prizes, and celebrate with a pizza party for their class.
- **Transit Month September** - In January, NVTA launched a “Design a Bus” contest where artists from across the North Bay were invited to submit a portfolio of their artwork. A panel of judges, including NVTA staff members, a CAC member, a PCC member and a Transdev member, selected their top three favorite artists and requested that they submit their artwork to be designed onto one of Vine Transit’s new 40-foot electric Gillig buses. The panel selected Blanca Molina as the winning design in April, and the buses are currently in the process of being wrapped. NVTA is planning to host a public unveiling event on September 21st to unveil the bus. More details will be provided with the committee.
