Communities of Concern

# **COC Profiles**

From the CBTP Update and CTP Equity Analysis

Jonathan Spencer

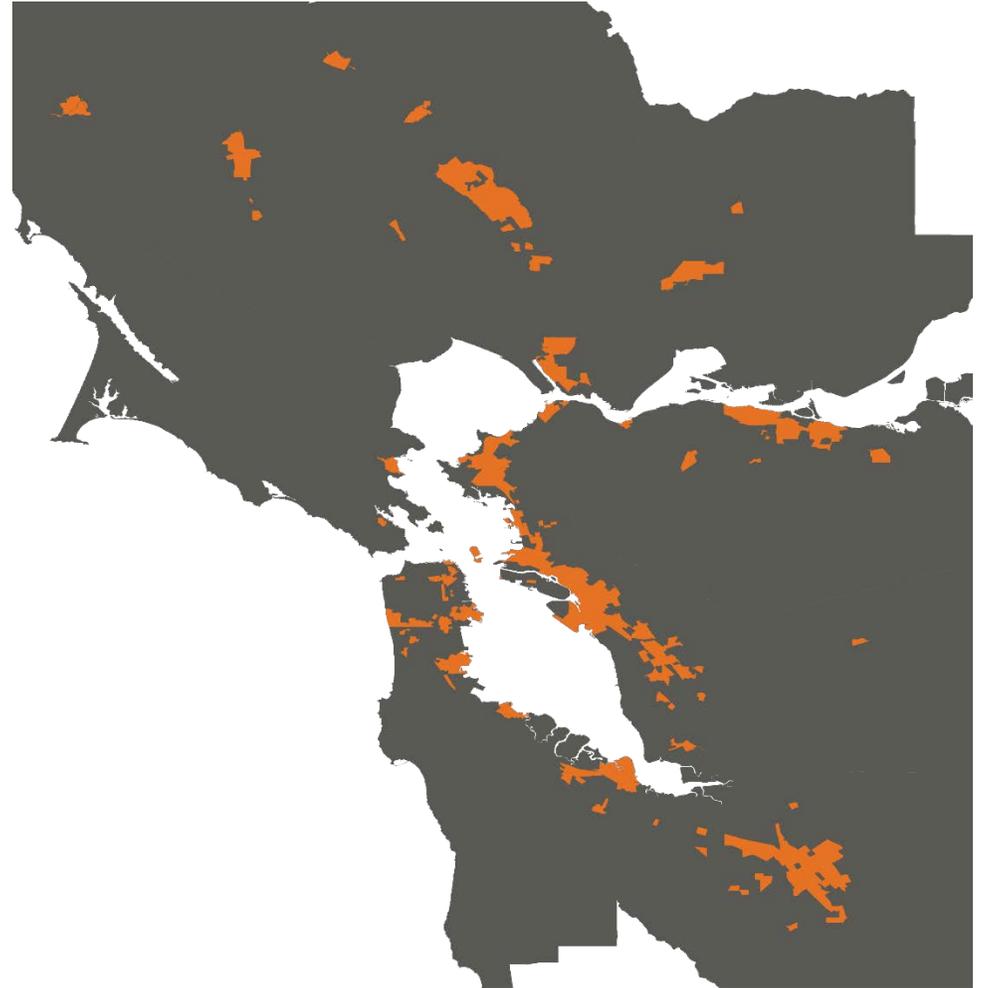

Transportation Planner/Analyst

# What is a COC?

Communities of Concern (COC) are Census Tracts with high rates of **minority individuals** and **low-income households**.

Five additional socio-demographic factors: **Seniors (75 years or over)**, **People with disabilities**, **Severely rent-burdened**, Limited English Proficiency, Single parent families, and Zero vehicle HHs

Source data: 2012-2016 ACS 5-Year

# Bay Area Regional Averages

Minorities: 58%

Low-income HHs: 26%

Limited English Proficiency: 9%

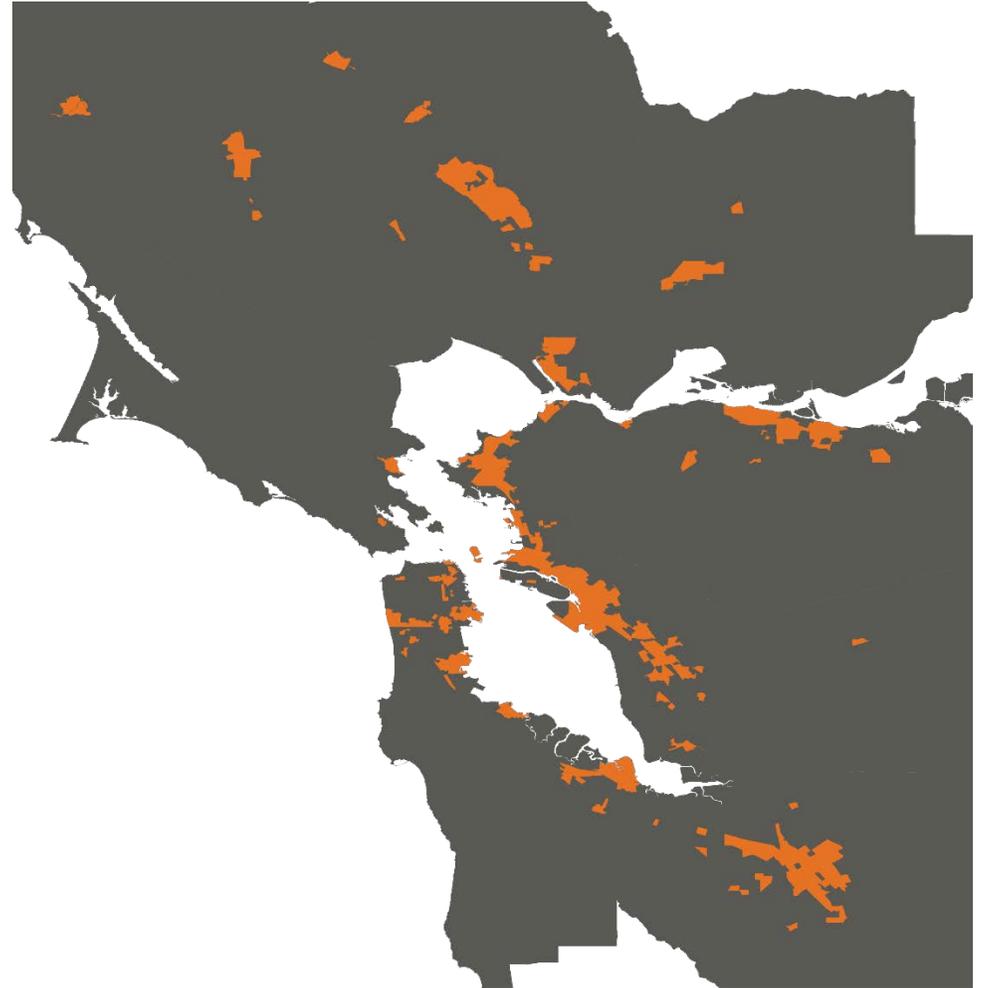

Zero vehicle HHs: 6%

Seniors (75 years or over): 10%

People with disabilities: 14%

Single parent HHs: 9%

Severely rent-burdened HHs: 11%

# Regionally significant COCs

(MTC-determined regional thresholds)

Minorities: 70%

Low-income HHs: 30%

Limited English Proficiency: 20%

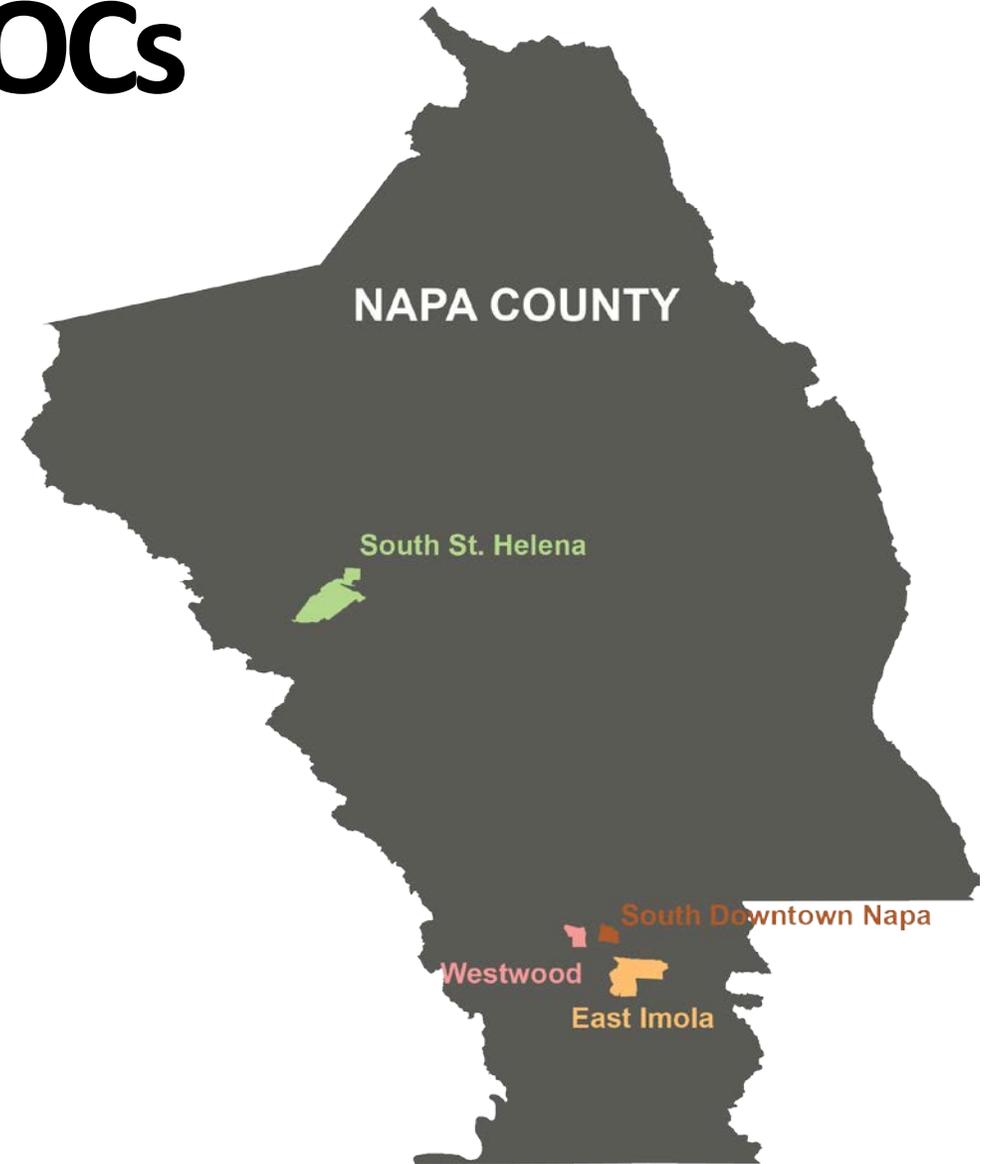

Zero vehicle HHs: 10%

Seniors (75 years or over): 10%

People with disabilities: 25%

Single parent HHs: 20%

Severely rent-burdened HHs: 15%

# South Downtown Napa

Minorities: 50%

**Low-income HHs: 36%**

Limited English Proficiency: 10%

**Zero vehicle HHs: 18%**

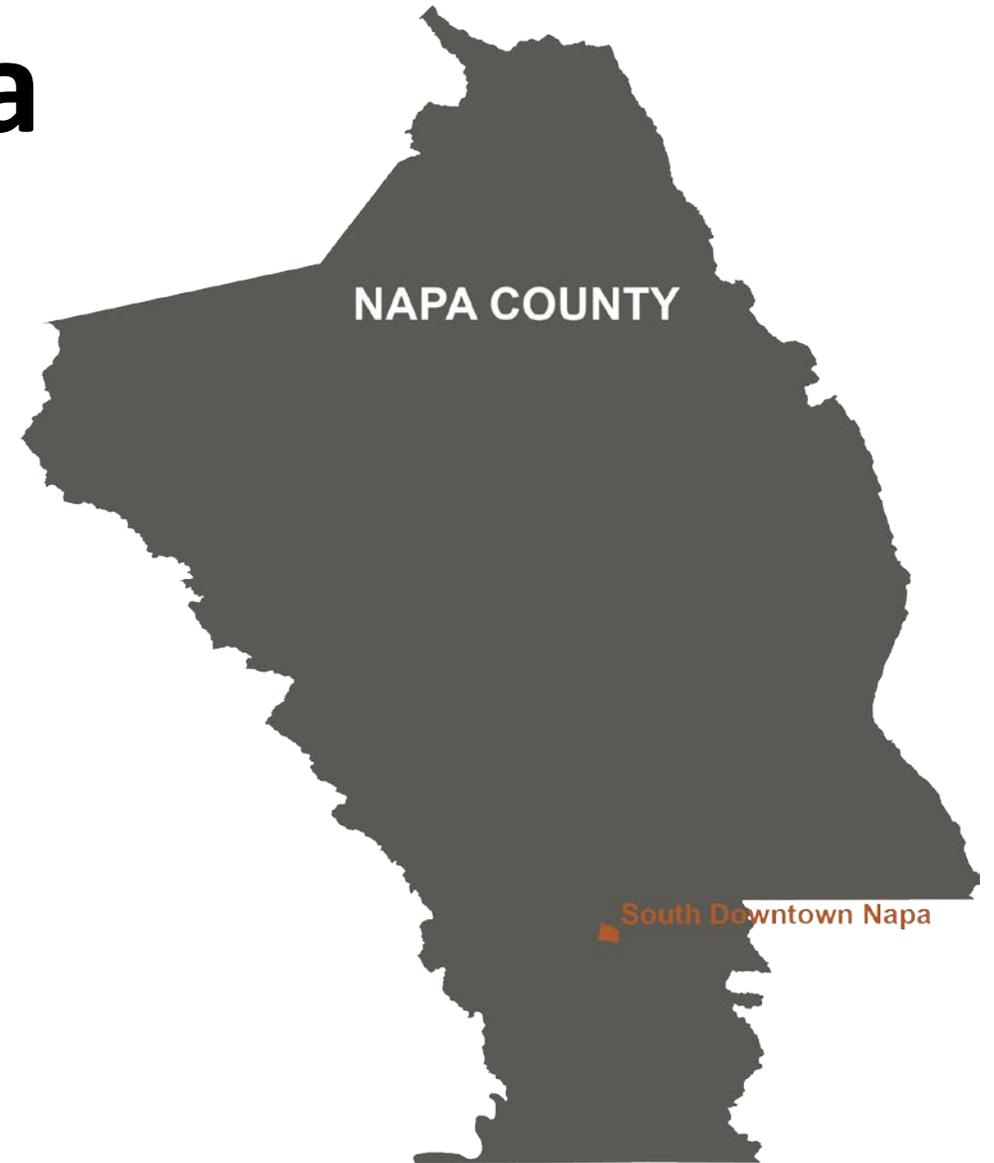

Seniors (75 years or over): 3%

**People with disabilities: 17%**

**Single parent HHs: 28%**

**Severely rent-burdened HHs: 22%**

Median gross rent: \$1,078

# Westwood

**Minorities: 76%**

**Low-income HHs: 42%**

**Limited English Proficiency: 23%**

Zero vehicle HHs: 5%

Seniors (75 years or over): 3%

People with disabilities: 7%

**Single parent HHs: 24%**

**Severely rent-burdened HHs: 24%**

Median gross rent: \$1,333

# East Imola

Minorities: 47%

**Low-income HHs: 66%**

Limited English Proficiency: 1%

**Zero vehicle HHs: 73%**

Seniors (75 years or over): 5%

**People with disabilities: 31%**

Single parent HHs: 0%

**Severely rent-burdened HHs: 13%**

Median gross rent: \$613

# South St. Helena

Minorities: 45%

**Low-income HHs: 40%**

**Limited English Proficiency: 15%**

Zero vehicle HHs: 3%

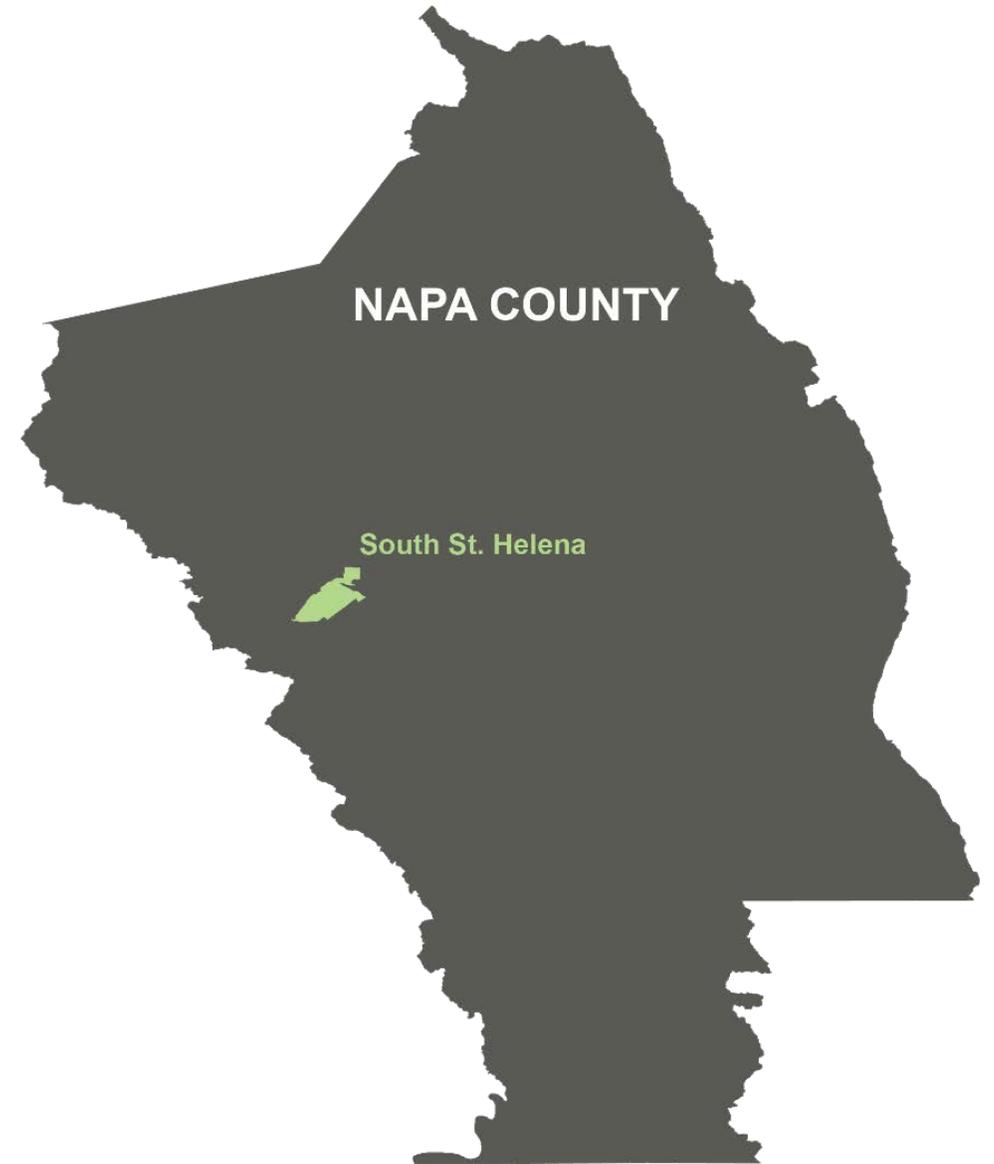

**Seniors (75 years or over): 12%**

People with disabilities: 10%

Single parent HHs: 16%

**Severely rent-burdened HHs: 26%**

Median gross rent: \$1,566

# Locally significant COCs

(NVRTA-determined County averages)

**Median HH Income: \$74,609**

**Seniors (75 years and over): 7%**

**Peoples with disabilities: 11%**

Minorities: 46%

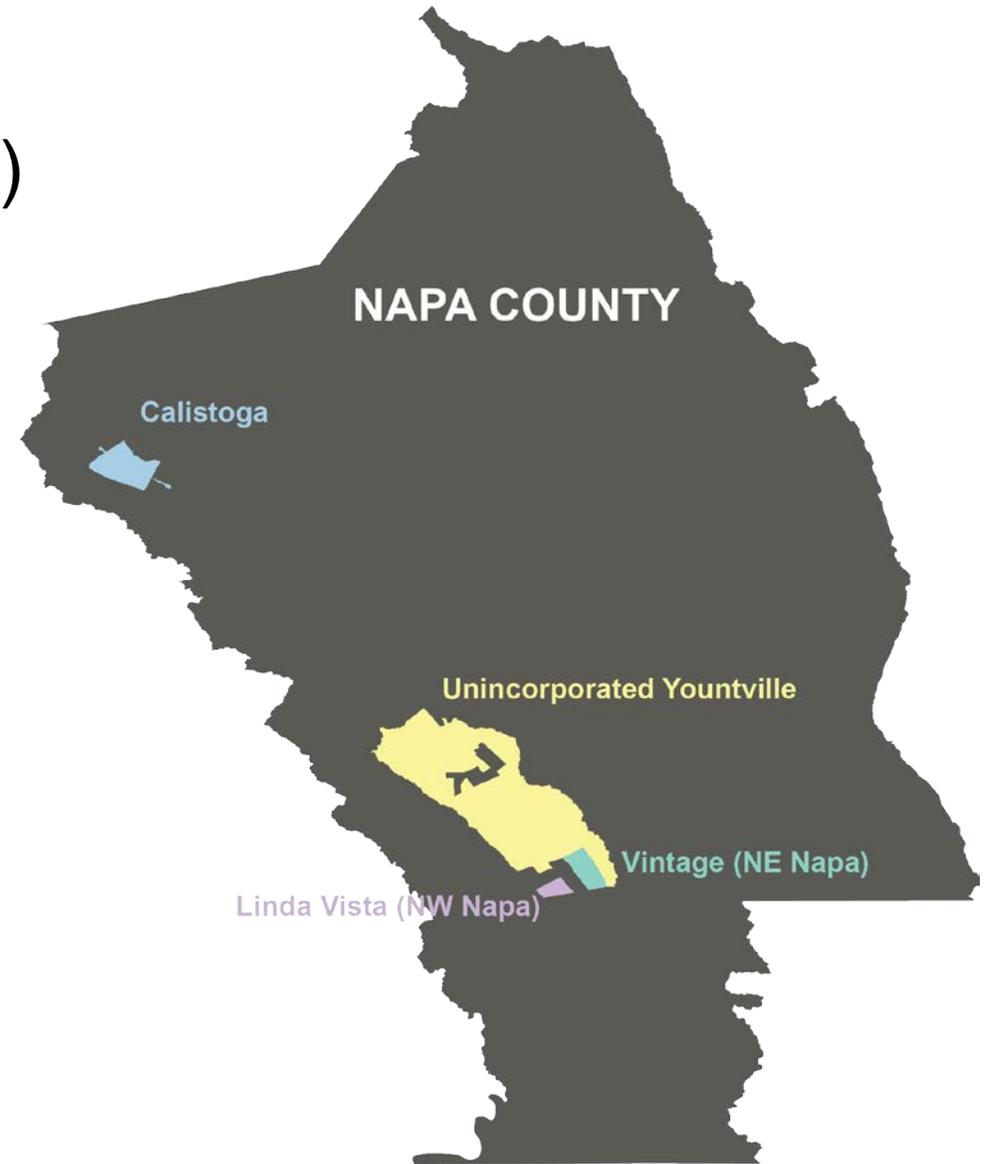

Limited English Proficiency: 9%

Zero vehicle HHs: 5%

Single parent HHs: 13%

Severely rent-burdened HHs: 21%

Median gross rent: \$1,442

# Vintage (NE Napa)

**Median HH Income: \$67,664**

**Seniors (75 years and over): 10%**

**Peoples with disabilities: 14%**

Minorities: 34%

Limited English Proficiency: 5%

**Zero vehicle HHs: 8%**

Single parent HHs: 10%

**Severely rent-burdened HHs: 22%**

Median gross rent: \$1,385

# Linda Vista (NW Napa)

**Median HH Income: \$73,293**

**Seniors (75 years and over): 12%**

**Peoples with disabilities: 13%**

Minorities: 31%

Limited English Proficiency: 3%

**Zero vehicle HHs: 11%**

Single parent HHs: 12%

**Severely rent-burdened HHs: 42%**

Median gross rent: \$1,663

# Unincorporated Yountville

**Median HH Income: \$59,024**

**Seniors (75 years and over): 14%**

**Peoples with disabilities: 14%**

Minorities: 41%

**Limited English Proficiency: 11%**

Zero vehicle HHs: 5%

Single parent HHs: 7%

**Severely rent-burdened HHs: 22%**

Median gross rent: \$1,253

# City of Calistoga

**Median HH Income: \$60,534**

**Seniors (75 years and over): 9%**

**Peoples with disabilities: 16%**

**Minorities: 53%**

**Limited English Proficiency: 24%**

**Zero vehicle HHs: 8%**

**Single parent HHs: 13%**

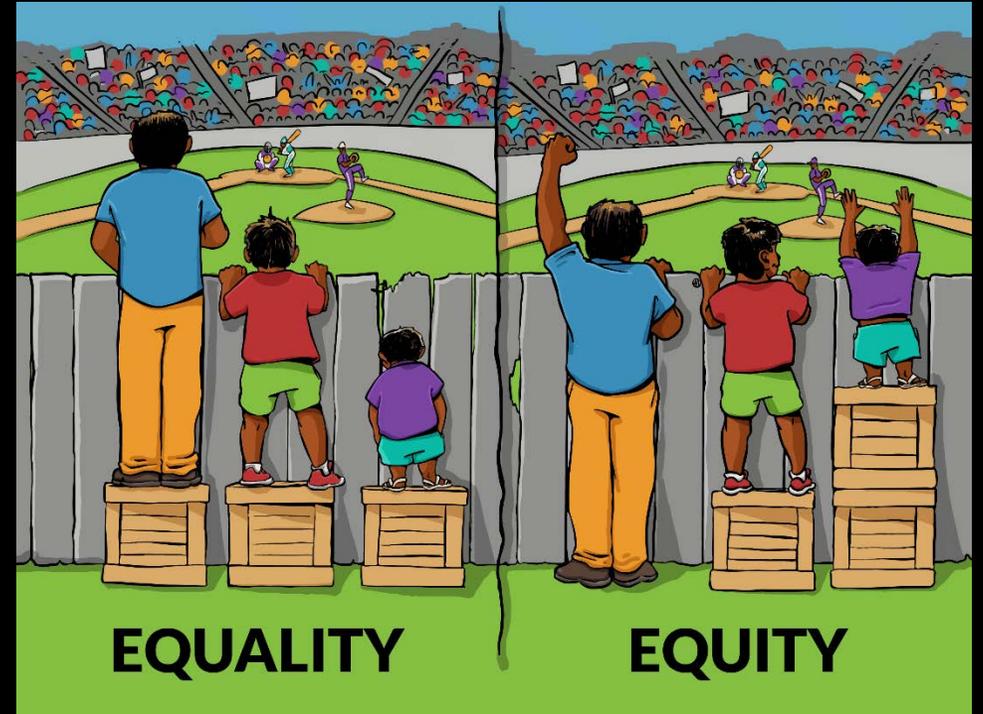

**Severely rent-burdened HHs: 15%**

**Median gross rent: \$1,153**

# What is Transportation Equity?

- Equitable investment of resources.
- OakDOT use data and metrics to show Oakland residents the disparities in the city across the different neighborhoods.
- OakDOT equity framework led to more investment in historically under-resourced areas.
- CTP Disparate Impact Analyses\*

\*[TIP Investment Analysis](#): Focus on low-income and minority populations, seniors, and persons with disabilities

# **(COCs + Data) \* Equity = Accountability**

- What does NVTa want to encourage?
- Which data metrics track the effectiveness of our investments?
  1. COC Disadvantaged Factors
  2. CTPP Commuter Flows
  3. Household poverty
  4. Roadway functional class
  5. Transit
  6. Lifeline services
  7. Active transportation
  8. Physical characteristics
- 60 data points per COC equates to 480 unique data points.
- Data metrics are classified into 8 categories:

# Future monitoring CBTP data

- Needs Assessment Table
  - <https://drive.google.com/file/d/1FFdP4ByMNIRefP2nISX3400G-mJeK1bi/view?usp=sharing>

# Performance Monitoring Ideas

What does NVRTA want to encourage?

- **Increase alternative transportation mode shift**
- **Increase safety for disabled individuals**
- **Increase mobility access to jobs from COCs**
- **Assess affordable housing**
- Ratio of sustainable transportation to single occupancy vehicles
  - What percentage of individuals are using transit, bicycle, walk vs. SOV travel
- Pedestrian network deficiency analysis
  - Are sidewalks barriers bc they're missing?
- Ratio of mean travel time to employment
  - Number of opportunity zones accessible
- Ratio of severely rent burden housing cost to household income

**PROJECT INITIATION REPORT**

**EA 4J820 (Completed 9/24/18)**

**Tuluca Creek Bridge Replacement; NAPA 121 PM 5.9 in City of Napa**

Scope: Bridge Replacement

**EA 0J890 (Completed 6/28/19)**

**5-Way Intersection; NAPA 121-PM 7.3 in City of Napa**

Scope: Intersection Improvement

**EA 1Q620 (Completed 6/27/19)**

**Pavement Preservation; NAPA 121 PM 4.5/10.7 in City of Napa**

Scope: Pavement repair

**EA 2Q610 (Completed 6/27/19)**

**Pavement Rehab; NAPA 29 PM 7.3/13.5 in County of Napa**

Scope: Pavement rehabilitation.

**EA 0P730 (Completed 9/17/18)**

**Advance Mitigation; NAPA 29 PM 15.6/22.8 in County of Napa**

Scope: Roadside Protection and Restoration Program mitigation purchase

**EA 0Q820 (Completed 6/28/19)**

**Storm Damage; NAPA 29 PM 12.2 in City of Napa**

Scope: Culvert repair and grout injection at slipout

**EA 2Q510**

**Pavement Rehab; NAPA 29 PM 42.1/48.6 in County of Napa**

Scope: Pavement rehabilitation

**EA 0Q830**

**Storm Damage; NAPA 29 PM 46.1 in County of Napa**

Scope: Construct CIDH segmented pile wall at slipout

**EA 0Q790**

**Storm Damage; NAPA 121 PM 13.4/20.7 in County of Napa**

Scope: Construct RSP at five slipout locations.

**EA 0Q810**

**Storm Damage; NAPA 121 PM 16.1 in County of Napa**

Scope: Reconstruct embankment with lightweight fill.

**EA 3Q760**

**Rumble Strips; NAPA 29, 121 & 128 Various Locations in County of Napa**

Scope: Construct Rumble Strips at seven locations.

**RE: Legislative Update**

---

**Reconvene:** The Legislature returns today for the second half of the legislative session. The second half of session starts with a flurry of activity. Governor Newsom will release his proposed budget on January 10<sup>th</sup>, and all legislation that remains in its house of origin must be approved by the end of January to remain alive. The month of January is packed with hearings in the rush to move two-year bills.

**Budget Outlook:** While the Governor's spending priorities will not be unveiled until later this week, the Legislative Analyst's Office (LAO) released its mid-year fiscal outlook and the Assembly Budget Committee released its priorities for the next fiscal year.

According to the LAO the future remains cautiously bright. The LAO estimates a \$7 billion surplus in the 2020-21 fiscal year, but this assumes that the federal government approves the state's reauthorization of the managed care organization (MCO) tax. If it is not approved the surplus drops to \$4 billion. Of the \$7 billion surplus the LAO estimates an ongoing surplus of about \$3 billion. However, the LAO recommends that the Legislature budget \$1 billion or less for ongoing purposes in 2020-21. The remaining surplus should be allocated toward building reserves, paying down debt, and providing funding for one-time flexible commitments. The LAO estimates the Budget Stabilization Account (BSA)/rainy-day fund will reach about \$18.3 billion by the end of 2020-21.

The chair of the Assembly Budget Committee, Assemblyman Phil Ting, provided a general outline of the Committee's spending priorities in advance of the Governor's plan. The Assembly adheres to the LAO's fiscal outlook and has pegged its priorities to first prepare for any economic downturn, and also continue to provide needed investments in childcare, education behavioral health, affordability, and climate change. The plan did not provide details on how cap & trade funds would be allocated to address the transition toward zero emission transit vehicles.

**Faster Bay Area:** SB 278 (Beall) is the likely vehicle for the Faster Bay Area regional transportation sales tax proposal. This measure remains in the Senate Transportation

Committee and must be approved by the Senate by the end of the month to remain alive. Given the complexity of this measure, the version approved by the Senate will be little more than a spot bill as negotiations continue. SB 278 currently makes minor changes to Bay Area transportation planning statutes. It will likely be amended this week to deal more directly with the Faster Bay Area proposal. SB 278 is expected to be heard by the Senate Transportation Committee on January 14<sup>th</sup>.

**Housing:** There have been numerous housing related bills introduced last year, and more to come this year. One of the more controversial proposals has been SB 50 (Wiener), which was held in the Senate Appropriations Committee last year. However, SB 50 will be amended today with the expectation it will be approved by the Appropriations Committee and the Senate before the end of the month.

In short, SB 50 would require local governments to provide a specified “equitable communities incentive” to developers that construct residential developments in “jobs-rich” and “transit-rich” areas, which may include certain exceptions to specified requirements for zoning, density, parking, height restrictions, and floor area ratios. In order to move this bill forward, amendments are being made to provide another pathway for cities and counties. The bulk of the amendments are structural and technical, but they will also include a local flexibility option. The devil is always in the details, which will be made clear tomorrow.

The amendments will delay the implementation of the SB 50 equitable community incentives for two years, taking effect on January 1, 2023. During that time, local governments can then do nothing and let SB 50 take effect, or develop a local flexibility plan. The local plan could be an existing plan if it provides equally robust housing and is consistent with fair housing findings. These flexibility plans would be submitted to the Governor’s Office of Planning and Research and the Department of Housing and Community Development for review and approval. The local flexibility plan would also be based on VMTs, which eliminates the need for the projects to be located near transit.

A new requirement being added to the bill would require 40% of affordable units in a housing project must be reserved for people that live within a ½ mile of the project. More details to follow as the SB 50 rewrite is introduced, but the expectation is SB 50 will be approved by the Senate and undergo a more thorough vetting in the Assembly.

January 6, 2020

The following bill matrix has been edited to delete all measures that were chaptered or vetoed in 2019. The following measure remain active in 2020; however, measures held on suspense are unlikely to move. All two-year bills must be approved by their house of origin by January 31<sup>st</sup>.

**Existing Positions**

Bills	Subject	Status	Recommended Positions
<b>AB 1350</b> <b>(Gonzalez D)</b> Youth Transit Pass Pilot Program.	AB 1350 would create the Youth Transit Pass Pilot Program. This bill is similar to prior efforts to create a funding program to provide free transit passes to persons under 18 years old. AB 1350 does not include an appropriation. Governor Brown vetoed a similar bill because of the need for additional information on existing programs. The UCLA study is not expected to be completed until the end of this year.	ASSEMBLY TRANS. – Two-Year Bill	OPPOSE unless amended
Bills	Subject	Status	Client Positions
<b>AB 11</b> <b>(Chiu D)</b> Community Redevelopment Law of 2019.	AB 11 would enact the Community Redevelopment Act of 2019 and allow local governments to form a housing and infrastructure agency that would focus on affordable housing and infrastructure investments. The bill requires a seat on the governing board for each affected taxing entity, and it allows an affected taxing entity to elect to contribute to the Redevelopment Agency (RDA) or not. In addition, the bill also allows an RDA to capture the growth on the schools' share (i.e. Educational Revenue Augmentation	ASSEMBLY APPR – Held on Suspense  Two-Year Bill	WATCH

<p><b><u>AB 11</u></b>  <b>(Chiu D)</b>  <i>(Continued)</i></p>	<p>Fund [ERAF]) of the property tax growth.</p> <p>AB 11 does require any new RDA to be approved by the Strategic Growth Council, which must find that the redevelopment plan furthers greenhouse gas (GHG) reduction goals and the fiscal impact to the state for backfilling the lost ERAF growth does not exceed a yet to be specified amount. The new RDA could finance housing, transit, transit priority projects, interchanges, bridges, parks and port infrastructure, to name a few. The projects do need to be located within the redevelopment area, but must have a nexus to the project area.</p>		
<p><b><u>AB 659</u></b>  <b>(Mullin D)</b>  Transportation:  emerging transportation technologies:  California Smart City Challenge Grant Program.</p>	<p>AB 659 requires the California Transportation Commission (CTC) to form a working group, consisting of local governments and transportation entities that would develop the guidelines and selection criteria for the Smart City Challenge Grants. The bill envisions funding projects that use intelligent transportation systems and applications that would reduce congestion, enhance mobility, safety, and spurring innovation. The bill does not currently identify or appropriate funds for this program.</p>	<p>ASSEMBLY APPR –  Held on Suspende   Two-Year Bill</p>	<p>WATCH</p>
<p><b><u>AB 847</u></b>  <b>(Grayson D)</b>  Transportation finance:  priorities:  housing.</p>	<p>As introduced, AB 847 would create a funding incentive for cities and counties to produce housing by reallocating non-Article 19 transportation funds and provide bonuses for certain funding programs.</p> <p>However, the bill was gutted and amended to now create a new competitive grant program. This bill</p>	<p>ASSEMBLY H &amp; C. D.  – Two-Year Bill</p>	<p>WATCH</p>

<p><b><u>AB 847</u></b>  <b>(<u>Grayson D</u>)</b>  <i>(Continued)</i></p>	<p>does not provide a funding source, but it directs the Department of Housing and Community Development to create a grant program that would offset up to 100% of any local transportation impact fees imposed on a housing project that includes at least 20% affordable units.</p>		
<p><b><u>AB 1402</u></b>  <b>(<u>Petrie-Norris D</u>)</b>  Active Transportation Program.</p>	<p>AB 1402 was not heard in the Assembly Committee on Transportation and is now a two-year bill.  This bill would revise the allocation process for Active Transportation Program (ATP) Funds. AB 1402 is substantively similar to the changes made to the ATP in SB 152 (Beall), but the bills are structured a little differently.</p>	<p>ASSEMBLY TRANS.  Two-Year Bill</p>	<p>SUPPORT</p>
<p><b><u>AB 1568</u></b>  <b>(<u>McCarty D</u>)</b>  General plans: housing element: production report: withholding of transportation funds</p>	<p>AB 1568 was held by the Appropriations Committee and is now a 2-year bill.  This bill would, if on or before January 1, 2025, a city or county is found to be out of compliance with existing housing element requirements then that city or county would be prohibited from applying for state grants. This prohibition would not apply to grants protected under Article 19 of the Constitution, which covers most transportation funds, or if the grant would assist the city or county in complying with housing element laws.  As introduced this bill would have withheld SB 1 local streets and roads funds from a city or county that is found to be out of compliance with existing housing element laws.</p>	<p>ASSEMBLY APPR –  Held on Suspense  Two-Year Bill</p>	<p>OPPOSE</p>

<p><b><u>ACA 1</u></b>  <b>(<u>Aguiar-Curry D</u>)</b>  Local government financing: affordable housing and public infrastructure: voter approval.</p>	<p>ACA 1 failed passage on the Assembly Floor. Reconsideration was granted, and another attempt is possible, but the measure was 8 votes short of the 54 needed for passage. A few Democrat members voted No, and several others abstained. Given the stigma that this measure erodes Prop 13 protections makes it unlikely it will secure the needed support to move to the Senate.</p> <p>ACA 1 would lower the voter threshold for property tax increases, parcel taxes and sales taxes to 55% if the funds are used for affordable housing and infrastructure projects. This includes capital improvements to transit and streets and highways.</p> <p>However, ACA 1 does not allow for the 55% local measure to use the tax revenue for transit operations.</p>	<p>ASSEMBLY FLOOR</p> <p>Failed Passage – Reconsideration Granted</p>	<p>SUPPORT</p>
<p><b><u>SB 50</u></b>  <b>(<u>Wiener D</u>)</b>  Planning and zoning: housing development: equitable communities incentive.</p>	<p>SB 50 would require local governments to provide a specified “equitable communities incentive” to developers that construct residential developments in “jobs-rich” and “transit-rich” areas, which may include certain exceptions to specified requirements for zoning, density, parking, height restrictions, and floor area ratios.</p>	<p>SENATE APPR</p> <p>Two-Year Bill</p>	<p>WATCH</p>
<p><b><u>SB 152</u></b>  <b>(<u>Beall D</u>)</b>  Active Transportation Program.</p>	<p>This bill would implement some of the findings made by the Legislative Analyst’s Office (LAO) regarding the administration of the ATP. The goal is to streamline the administrative process for awarding ATP funds. The bill includes the following changes:</p> <ul style="list-style-type: none"> <li>• Modified the distribution formula to increase from 40% to 75% that is allocated to metropolitan planning organizations (MPO), increase the rural county share from</li> </ul>	<p>SENATE APPR – Held on Suspense</p> <p>Two-Year Bill</p>	<p>SUPPORT</p>

<p><b>SB 152</b> <b>(Beall D)</b> <i>(Continued)</i></p>	<p>10% to 15%, and reduce the statewide pot that is administered by the CTC from 50% to 10%.</p> <ul style="list-style-type: none"> <li>• Shift greater administrative control for the regional share to the MPOs.</li> <li>• Increase reporting requirements from the MPOs to the CTC.</li> </ul>		
<p><b>SB 336</b> <b>(Dodd D)</b> Transportation: fully-automated transit vehicles.</p>	<p>SB 336 aims to address safety and customer service issues by requiring at least one public transit employee to be present on any fully automated transit vehicle. The public transit employee shall be trained in passenger safety, communications, emergency preparedness, and assisting the disabled and elderly.</p> <p>SB 336 would also require any transit operator that deploys an autonomous vehicle to submit a report to the legislature on that deployment by March 31<sup>st</sup>, 2025. SB 336 would sunset on January 1, 2025.</p>	<p>ASSEMBLY TRANSP – Two-Year Bill</p>	<p>SUPPORT</p>

**Napa Valley Transportation
